## Fillet, Fishing Knife Series, 1980– 2013.

Queen Cutlery Catalog Project  
REPORT **021**, DATE, **07/26/15**

This report summarizes search results in 3,200 knife entries in a spreadsheet composed of Queen catalog pages, price lists, or sales fliers for each year from 1980 through 2013 (except '85 & '86). Under the **Source** column below, Price Lists are shown as “PL Month-Day-Year” (for example, PL 4-1-1989), Catalogs or “Knife Guides” are shown as “KG year” (for example, KG 1993), and Sales Fliers are named for the advertized knife series-and year” (for example, New Amber, 1988). On our website above, using the image collection, and starting with the year, these source IDs will take you to the original catalog page for any specific knife.

Queen Cutlery is providing the Catalog Project to help document the company's production history and as a resource for collectors. Queen Cutlery is not responsible for errors or omissions in this database or any reports produced from it; it is simply the best information available to us at this time. NOTE: There are numerous other fishing and fillet knives throughout the company's earlier history that are not treated as "Series", but within other categories such as hunting, and various kitchen cutlery lines. This is an area requiring careful searching in other "Model" reports and pre-1979 series.
