## Hawk Series, 1980– 2013

Queen Cutlery Catalog Project  
REPORT **027**, DATE, **07/27/15**

This report summarizes search results in 3,200 knife entries in a spreadsheet composed of Queen catalog pages, price lists, or sales fliers for each year from 1980 through 2013 (except '85 & '86). Under the **Source** column below, Price Lists are shown as “PL Month-Day-Year” (for example. PL 4-1-1989), Catalogs or “Knife Guides” are shown as “KG year” (for example, KG 1993), and Sales Fliers are named for the advertized knife series-and year” (for example, New Amber, 1988). On our website above, using the image collection, and starting with the year, these source IDs will take you to the original catalog page for any specific knife.

Queen Cutlery is providing the Catalog Project to help document the company's production history and as a resource for collectors. Queen Cutlery is not responsible for errors or omissions in this database or any reports produced from it; it is simply the best information available to us at this time.
