Overview of Queen Cutlery Knife Series, 1980 – 2013.

Queen Cutlery Catalog Project
REPORT **001**, DATE, **07/27/15**

This report summarizes all series identified among all 3,200 entries in a spreadsheet composed of Queen knives in catalog pages, price lists, or sales fliers, for each year from 1980 through 2013 (except for 1985, 1986). Detailed reports for each series below, reports summarizing production of specific models, and digital copies of catalogs, are available for download at our website.

Queen Cutlery is providing the Catalog Project to help document the company's production history and as a resource for collectors. Queen Cutlery is not responsible for errors or omissions in this database or any reports produced from it; it is simply the best information available to us at this time. If you have suggestions, additional information, or feedback please join us at the Queen Group on <http://www.iknifecollector.com/>. Thank you!

Series: A group of knives listed together in catalogs and price lists on the basis of shared design, construction, handle material, or purpose.

Note: A total of 83 different Series were offered by Queen, 1980-2013. Review of Model# reports from the Catalogs added for 1947-1979, will show many, many knives were offered consistently over most of the period. The modern era has been characterized by much more innovation and change in knives offered for sale.
