Queen Cutlery Catalog Project, 1947-2013 Master List of Database Reports

REPORT **000**, DATE, **07/21/15**

This report identifies all reports prepared (or planned) in the Queen Catalog Project by number and Title, using all 7,257 entries in a spreadsheet composed of Queen knives in catalog pages, price lists, or sales fliers, for 59 years within the period 1947 through 2013 (please see Introduction). These reports, as well as digital copies of catalogs, and knife photos are available for download at our website, above.

This edition outdates the report list dated 7-14-2014, which was limited to 1980 and newer knives.

Queen Cutlery is providing the Catalog Project to help document the company's production history and as a resource for collectors. Queen Cutlery is not responsible for errors or omissions in this database or any reports produced from it; it is simply the best information available to us at this time. If you have suggestions, additional information, or feedback please join us at the Queen Group on <http://www.iknifecollector.com/>. Thank you!
